# NFTs als CV in 2030?

Gary Vaynerchuk 

@garyvee

Meeting someone new In 2030 will include looking at their public wallet to see what NFT's they have

Which will be in addition to a google search of their name

Looking at their social media accounts

Wikipedia / LinkedIn in certain situations

# Neue Geschäftsmodelle durch NFTs

The image shows a screenshot of a LinkedIn post. At the top left is a circular profile picture of a man with short brown hair, smiling. To the right of the profile picture, the name "Serg Lotz" is displayed in bold black text, followed by "• 1." in a smaller font. Below the name, there is a bio: "Follow @serglotz on Twitter | Building web3 | KERNEL KB3" and "11 Std. •" with a globe icon. The main text of the post reads: "ERC-4907 token standard (#ETH) allows you to rent your #NFTs securely without the renter being able to transfer or trade them away. New business models incoming 🚀". Below the text is a blue link that says "Übersetzung anzeigen". Underneath the link, there are three icons (a blue speech bubble, a yellow lightbulb, and a red heart) followed by the text "Sie und 36 weitere Personen" and "7 Kommentare". At the bottom of the post, there are four action buttons: "Gefällt mir" with a blue thumbs-up icon, "Kommentar" with a grey speech bubble icon, "Teilen" with a grey share icon, and "Senden" with a grey paper plane icon.
